SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: Penetrating Sealer with Corrosion Inhibitor
SFS 7-140528DP

Description: The Missouri Department of Transportation has determined that only one source, Shield Products, Inc., can provide Protectosil CIT Sealer with Corrosion Inhibitor. This sealer has the properties required by MoDOT of dry time of 15 minutes or less and includes the ability to increase patching material bond strength. The corrosion inhibitors reduce the halo effort and increase the life of the patch on older structures. This product will be used statewide at various MoDOT bridge repair locations. The cost for this product may exceed \$25,000.
